- New Platform can hold a capacity of 300 max and aims to provide space for meetings and take over's etc for sports and societies.

Feedback on how platform should be used during fever pitch:

VIP lounge plays different music,

Available to club/societies throughout the night if booked for a tower bar take over.

- Fever Pitch Feedback:

Poor music selection played,

Ticket price on door is expensive,

Not long enough for committee to claim £1 tickets,

Ticket que takes longer than paying on the door que.

Any other suggestions need to be emailed to: bars@lincoln.ac.uk

8. Refreshers Fayre

Feedback:

Positives: Layout of tables and availability of the demonstrating area.

Negatives: Music too loud, not enough visitors, date held contradicted with exams at Riseholme, date held could be moved to sooner after original fresher fayre

Clarification that Bishop Grott and Lincoln Collage can join as associate members, unable to mix college fayre with university fayres.
